A SPARKLING STORY

We gather you in Ladugårds where our host Johan shows a film and tells us more about our collaborative project with Veuve Clicquot. The project involves us storing champagne on the seabed outside Silverskär in "Cellar in the sea" on behalf of VC

CHAMPAGNE TASTING

Tasting with 4 different champagnes from Veuve Clicquot. Exclusive taste bites comes with the drinks.

WINE TASTING

At Silverskär we have chosen to focus mainly on organic wines. Our wine expert is happy to hold a tasting with different themes depending on your interest. Price on request depending on the arrangement.

BEER TASTING WITH BITS TO TASTE

We will try four different beers from our local breweries, Stallhagen and Open Water Brewery served with flavor bits.

CAVIAR TASTING

Our Chef will present some different caviars from local fishes and Carelian Caviar. You will learn more about the difference between them. The caviars will be enjoyed with tailored and tasteful accessories and drinks.

COURSES IN FIRST AID & CRISIS MANAGEMENT

Learn to save lives and become confident in helping people so that you dare to act if something urgent happens, both when physical and mental crises occur. The first efforts can be vital while waiting for an ambulance. We tailor the training to your specific needs in the workplace for crisis support, preparedness and practical and physical first aid. We collaborate with Ann Kvarnström who has extensive experience in the field. More info is available if interested.
